Regulatory Register - Summary of Applicable Regulations

Document no.	REG-SUM-001	**Revision**	E
Document type	Regulation Summary	**Status**	Current
Effective date	2026-08-15	**Owner**	HSE and Compliance
Classification	Internal		

1 Purpose

This register lists the most important regulations that apply to our plant and products, who is responsible and what they mean for us. It is an internal summary and does not replace the legal text. In case of doubt, the official text published in the Official Journal of the EU or the German Federal Law Gazette applies.

2 Machinery and work equipment

Regulation	What it means for us	Owner
Machinery Directive 2006/42/EC	Applies to machines we buy or build until 19 January 2027. CE marking and declaration of conformity required for new machines.	Production Engineering
Machinery Regulation (EU) 2023/1230	Replaces the Machinery Directive and applies from 20 January 2027. Machines placed on the market from that date must follow the new regulation. Digital instructions are allowed under conditions.	Production Engineering
Work Equipment Directive 2009/104/EC and BetrSichV	Risk assessment and regular inspection of work equipment by qualified persons.	Maintenance

3 Products

Regulation	What it means for us	Owner
REACH Regulation (EC) 1907/2006	We must know if our products contain substances of very high concern (SVHC) above 0.1 % by weight and inform customers. Suppliers report via IMDS.	Product Compliance
RoHS Directive 2011/65/EU	Not directly applicable to our vehicle e-drives, but several customers require RoHS conformity in their contracts.	Product Compliance
End-of-Life Vehicles Directive 2000/53/EC	Restricts lead, mercury, cadmium and hexavalent chromium in vehicle parts, with exemptions in Annex II.	Product Compliance

4 Workplace safety and environment

Regulation	What it means for us	Owner
Noise Directive 2003/10/EC	See HSE-POL-007.	HSE
Hazardous Substances Ordinance (GefStoffV)	Workplace instructions and substitution check for hazardous substances. See HSE-POL-003.	HSE
ISO 14001 and ISO 45001	Certified management systems for environment and occupational safety. Recertification audit due in 2027.	HSE

5 Quality

Standard	What it means for us	Owner
IATF 16949	Automotive quality management system. Surveillance audit every year.	Quality Management
